COMMANDER'S REPORT:
Greetings to everyone. Summer is in the air, as the month of May has already arrived. A quick reminder to not let up on your guard as there are still chapter commitments due tending to. While last month we found all hands on deck concentrating on meeting our annual JROTC and ROTC award support program commitments, we have now transitioned into the annual operating year closeout season. Before the month is over, we would have prepared all necessary annual reports, chapter award submission packages, and squared away all administrative and financial chores, in preparation for the next MOWW 2025 operating year. Before we get too far ahead of ourselves, let's take a moment to reflect on our chapter has once again accomplished during the current OY 2024 activity season. Many thanks go out to everyone who has stuck with us through the "fun" and "not so fun times" this year – for there is no way our chapter can function (let alone accomplish) all of our ambitious Chapter Action Plan goals. On behalf of me and my supportive family, I am very appreciative and grateful for all the support and for your trust, as your chapter commander.

TREASURER'S REPORT:
Hello, everyone. As of the posting of this Treasurer Officer report, our chapter funding is almost depleted for the current 2024 operating year. All accounts have been reconciled for the operating year, in preparation for the anticipated new 2025 operating year (OY2025) soon to begin on 1 July 2025. As we prepare for the OY2025 activity season, keep in mind that our chapter will be hosting the 2025 National Convention in Tucson this year (in early August) which will require lots of companion attention on our local finances and operational budget expenditures. We have submitted a chapter monetary grant request to the Hann-Buswell (At Large) Chapter in hopes of recuperating some of the chapter funds used to establish and lock in convention local services. We'll keep our fingers crossed that our reimbursement chapter funding request will be granted and that we will be able to replenish our chapter funds early on in the new OY2025 activity season.

ADJUTANT'S REPORT:
Hi everyone, as our Treasurer report warns, hot on the heels of the OY2024 closeout, our chapter will be thrust quickly into the 2025 National Convention final phase of event planning and subsequent execution, after three years of meticulous collaborative coordination and planning efforts. Let's bring this event home and start OY2025 with an awesome event under our belts. I also remind everyone that one of our first new OY2025 actions will be to process all our pending Region XIII Awards Support Program (R-13 ASP r new chapter companions added to our chapter roster from the previous OY2024 recruitment drive season. Please follow all position checklists for first quarter operations soonest after 1 July just to make sure we have complied with all our operational responsibilities.

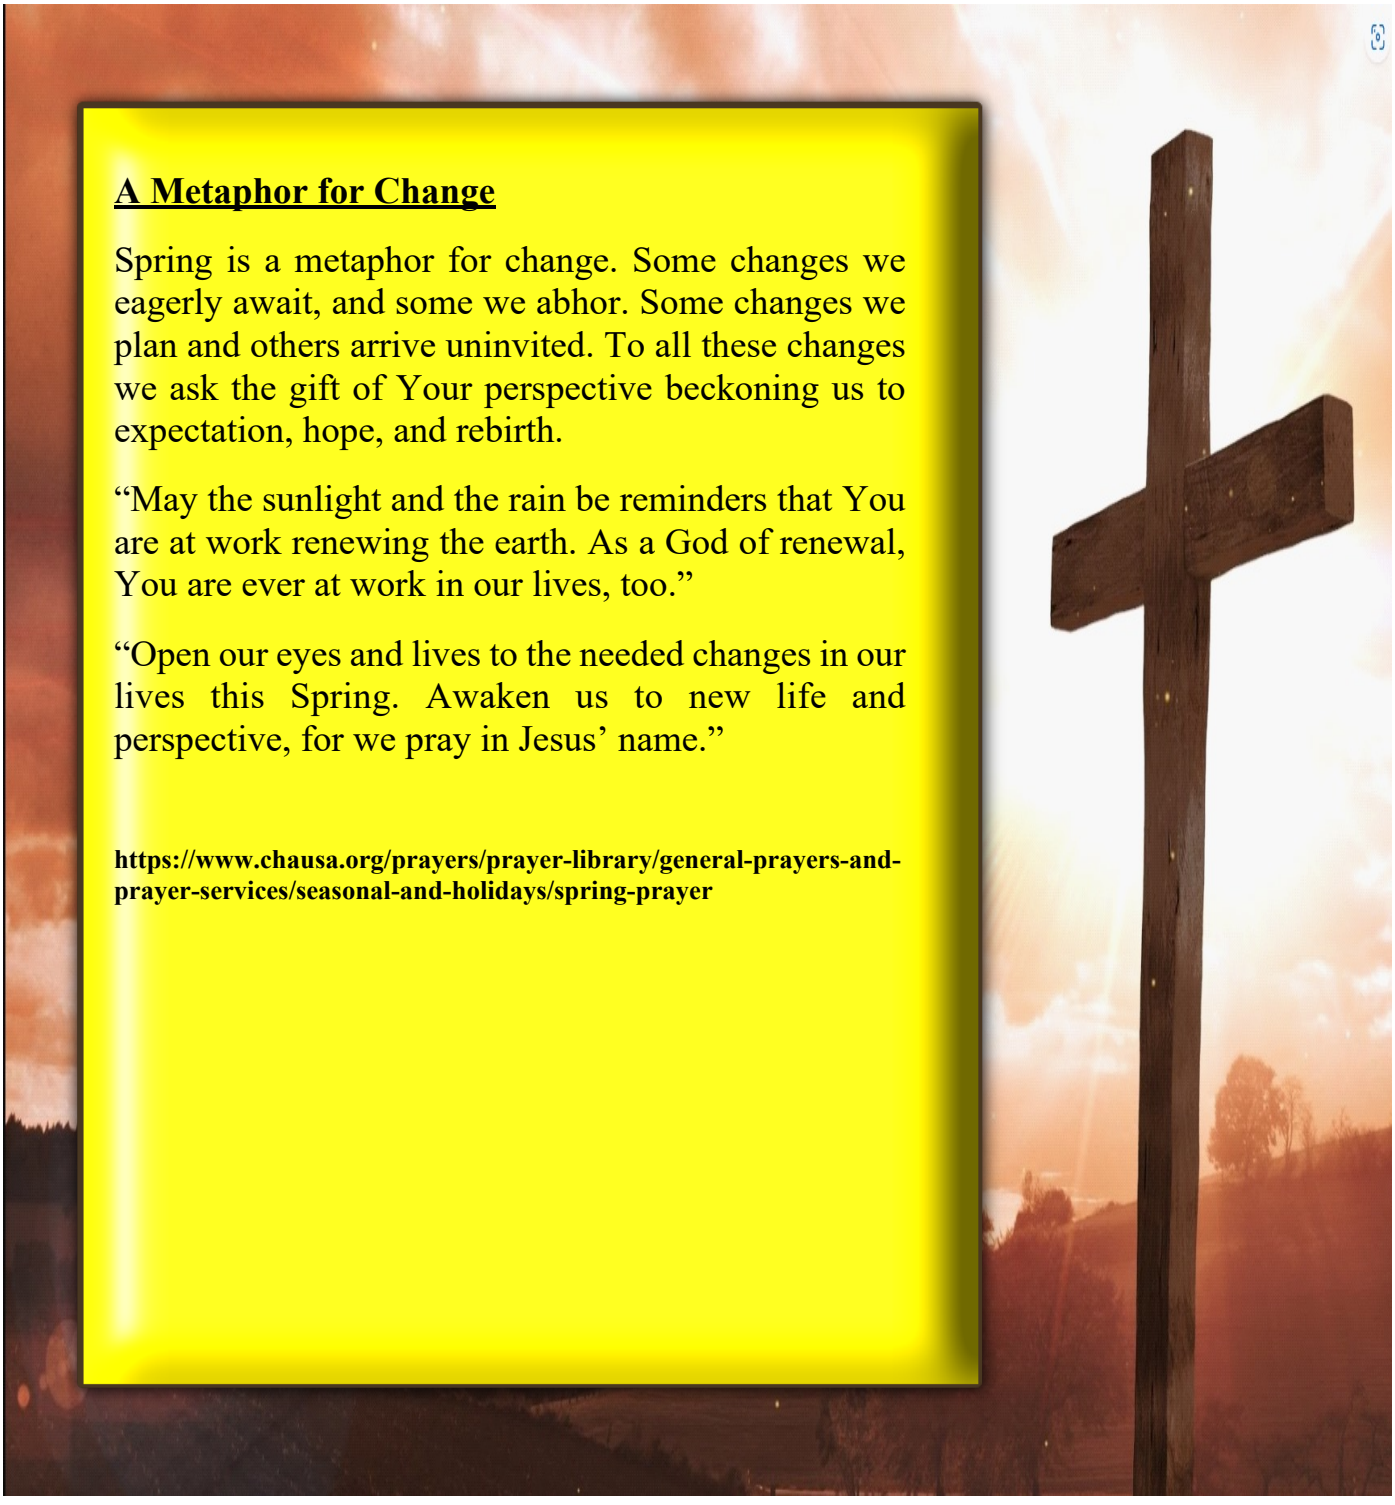
CHAPLAIN'S CORNER



A Metaphor for Change

Spring is a metaphor for change. Some changes we eagerly await, and some we abhor. Some changes we plan and others arrive uninvited. To all these changes we ask the gift of Your perspective beckoning us to expectation, hope, and rebirth.

"May the sunlight and the rain be reminders that You are at work renewing the earth. As a God of renewal, You are ever at work in our lives, too."

"Open our eyes and lives to the needed changes in our lives this Spring. Awaken us to new life and perspective, for we pray in Jesus' name."

Our Chapter welcomes fellow MOWW companion HPM Gloria Jean Nelson, who has transitioned over from the former Catalina Mountains Chapter in East Tucson. Jean served three years as the chapter's commander and chaplain. Jean has graciously accepted to fill our Santa Cruz Valley Chapter (AZ-193) Chaplain position vacancy. In anticipation of her welcoming, our Chapter Newsletter will now provide a dedicated Chaplain's Corner page segment in every monthly edition beginning with this edition.

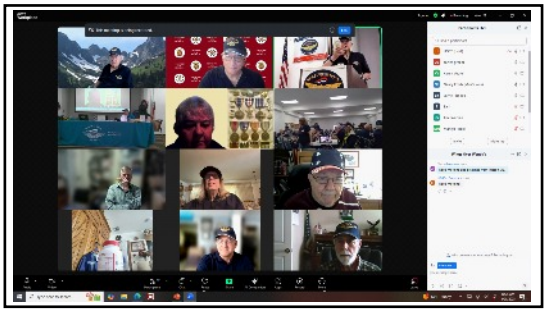
CHAPTER-IN-ACTION

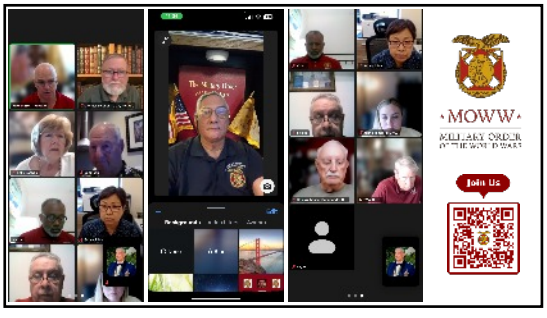
R-8: Annual Spring Conference - MAY 2025

Region VIII (our sister region operational in neighboring Texas and Oklahoma) hosted its annual Spring Conference in San Antonio, TX during the first week of May 2025. The conference also seized the opportunity to experience the hotel and surrounding local area ammenities prior to the larger 2026 National Convention venue scheduled for August 2026. Situated right in the downtown Riverwalk tourism area, the hotel offers a wonderful annual convention setting along with restful and pleasant local area points of historical interest.



VSO-1: WOW Weekly HYB VCC MTG - MAY 2025

The Wings Over Wendy's (WOW) non-profit organization is among our most supported cross state lines veterans service organizational partnerships. WOW meets weekly each Monday morning at 9:30 AM (PST). While they are mostly active servicing their local community throughout central and southern California tending to food / clothing drives and planning field trips and attending special events, their hybrid format meetings helps propagate military service heritage and shares aviation history and legacy with younger generations.

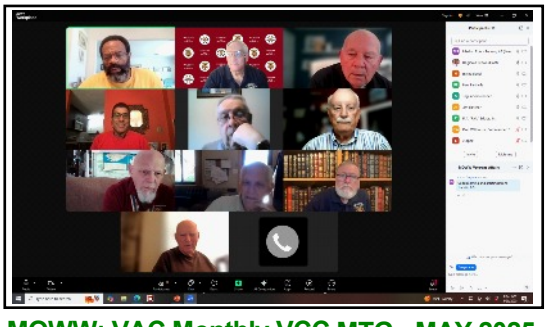


MOWW: NCSC Monthly VCC MTG - MAY 2025

Our Chapter is also quite active attending monthly MOWW headquarters hosted National Convention and Seminars Committee (NCSC) online ZOOM meetings. The snapshot photos depict an online meeting underway using a smart phone call in LOGIN configuration. Our chapter is hosting this year's 2025 National Convention in southern Arizona, in the city of Tucson during the first week of August 2025 (4-9 AUG). The online meeting unites past, present and future annual convention regional hosts in fruitful collaboration.

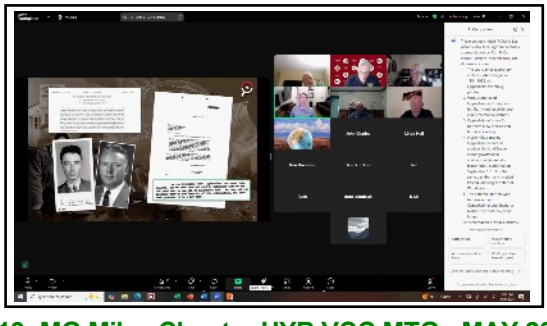
VSO: AVMC Foundation Monthly Meeting - MAY 2025

Our chapter continues to explore and cultivate local community partnerships of mutual benefit to our regional operations and in helping promote our Order branding and mission. Such a flourishing partnership is our chapter's relationship with the Arizona Veterans Memorial Cemetery Foundation in Marana, AZ. AS a founding member, our chapter mainatins its nexus with the foundation staff who provide the continued beautification and fund raising efforts to keep the grounds looking great and with the best support.



MOWW: VAC Monthly VCC MTG - MAY 2025

The MOWW Veterans Affairs Committee is one of a few committees that has monthly online streaming ZOOM meetings throughout the entire operating year. Special attention is provided to always add online participants and to help chapters and regions keep veteran community outreach and our MOWW mission at the forefront of all planning efforts and activity execution. The committee forum is also an ideal opportunity for meaningful field operational-to-HQ exchanges in an informal online discussion setting.



R-13: MG Miles Chapter HYB VCC MTG - MAY 2025

Our chapter attended May's MG Miles Chapter monthly hybrid online regular membership meeting using ZOOM on the 20th. We were treated to a wonderful presentation by fellow companions Allan Carr, renown Los Alamosional Laboratories historian, author, and online influencer. His presentation offered an insightful glimpse into the J. Robert Oppenheimer years at the laboratory and a personal accounting of his post Atomic Bomb development years until his death in 1964. This chapter has a great program.

MONTHLY FEATURED ARTICLE

Finding an Old Friend at Westover

The C-54 would be leaving in a few hours. I had time for another visit to Base Weather. As I started to introduce myself to a major, one of two forecasters on that day shift, SSgt. Henry Griffith (later CWO), the other forecaster, looked up from the surface chart he was drawing, dropped his isobar pencil, and with a broad welcoming smile said, "Ted, I can't believe it's you." And I couldn't believe it was Henry. He had been a forecaster for several years, going back to his graduation from the weather forecaster school when it was located in Grand Rapids, Michigan. When I attended the school, it was at Chanute Field, Illinois. We talked about all the others we had served with, all great friends. They had been quite helpful to this new meteorologist. I reminded Henry of shift forecaster S/Sgt. Paul Luty who, while briefing pilots, always looked for an AT-11 or C-47 flight to Selfridge Field, my hops back to Marie on days off. When Marie and baby Leta came to Westover, he found a beautiful house for us in Springfield. I liked the house, especially its weather connection. A couple of chimney bricks were knocked off in the famous 1938 hurricane; but its rent was too high for a corporal. Marie and I found another in nearby Willimansett. We talked about the observing staff: Cpl Baker, Sgt Walter Goldsmith, Cpl Oulette, and great friend Sgt Howard Klier; and of the forecasters: CWO Yatteau, CWO Lesher, Major Paton.

As I started to leave for my flight, Henry added: "We are still using the northeast U.S. and Canada base-map strip charts for our flight folders, those with the enroute mountain profiles you drew, and the Atlantic charts on which you corrected the longitude printing errors." I was surprised anyone would remember that. Those were mere incidentals to the forecasting job. But Henry was one of those military meteorologists, and there were many of them, who took note of things and gave praise as a common yet sincerely meant remark. **TLC**

We welcome fellow Santa Cruz Valley Chapter - 193 companion CWO (RET) Theodore L. "Ted" Cogut, USA to our monthly newsletter writing staff contributor team for the new year. Ted transferred his chapter membership affiliation over to our chapter from the former Catalina Mountains Chapter which operated out of east Tucson until this past June 2022 when they ceased operations. Ted was also a very active chapter newsletter article writer for the CM Chapter, contributing regularly to the "Ted's Page" monthly entry where he routinely provided very interesting and entertaining articles for that publication. With the addition and 2023 launching of Ted's Page to our monthly publication, we hope will further enhance our publication's outreach among our chapter readership and general public outreach appeal. As always, our staff welcomes every opportunity to continue to deliver our MOWW award-winning publication and most importantly your inputs and feedback.

MAY IN HISTORY

May 1

May 1st - Observed as May Day, a holiday and spring festival since ancient times, also observed in socialist countries as a workers' holiday or Labor Day.

May 1, 1707 - Great Britain was formed from a union between England and Scotland. The union included Wales which had already been part of England since the 1500's. The United Kingdom today consists of Great Britain and Northern Ireland.

May 1, 1960 - An American U-2 spy plane flying at 60,000 feet was shot down over Sverdlovsk in central Russia on the eve of a summit meeting between President Dwight D. Eisenhower and Soviet Russia's Premier Nikita Khrushchev. The sensational incident caused a cancellation of the meeting and heightened existing Cold War tensions. The pilot, CIA agent Francis Gary Powers, survived the crash, and was tried, convicted and sentenced to 10 years in prison by a Russian court. Two years later he was released to America in exchange for an imprisoned Soviet spy. On his return to America, Powers encountered a hostile public which apparently believed he should not have allowed himself to be captured alive. He died in a helicopter crash in 1977.

May 1, 2004 - Eight former Communist nations and two Mediterranean countries joined the European Union (EU) marking its largest-ever expansion. The new members included Poland, Hungary, the Czech Republic, Slovakia, Slovenia, Lithuania, Latvia, Estonia, along with the island of Malta and the Greek portion of the island of Cyprus. They joined 15 countries already in the EU, representing in all 450 million persons.

Birthday - Irish-born American labor leader Mary 'Mother' Jones (1830-1930) was born in County Cork, Ireland. She endured misfortune early in life as her husband and four children died in the yellow fever epidemic of 1867. She also lost all of her belongings in the Chicago Fire of 1871. She then devoted herself to organizing and advancing the cause of Labor, using the slogan, "Join the Union, boys." She also sought to prohibit child labor. She remained active until the very end, giving her last speech on her 100th birthday.

Birthday - World War II General Mark Clark (1896-1984) was born in Madison Barracks, New York. He commanded the U.S. Fifth Army which invaded Italy in September of 1943, fighting a long and brutal campaign against stubborn German opposition.

Birthday - African American Olympic athlete Archie Williams (1915-1993) was born in Oakland, California. Williams, along with Jesse Owens, defeated German athletes at the 1936 Berlin Olympics and helped debunk Adolf Hitler's theory of Aryan racial superiority. Williams won a gold medal in the 400-meter race. After the Olympics, he went on to earn a mechanical engineering degree from the University of California-Berkeley but faced discrimination and wound up digging ditches. He later became an airplane pilot and trained Tuskegee Institute pilots including the black air corp of World War II.

May 2

May 2, 2011 - U.S. Special Operations Forces killed Osama bin Laden during a raid on his secret compound in Abbottabad, Pakistan. The raid marked the culmination of a decade-long manhunt for the elusive leader of the al-Qaeda terrorist organization based in the Middle East. Bin Laden had ordered the coordinated aerial attacks of September 11th, 2001, in which four American passenger jets were hijacked then crashed, killing nearly 3,000 persons. Two jets had struck and subsequently collapsed the 110-story Twin Towers of the World Trade Center in New York, while another struck the Pentagon building in Washington, D.C. A fourth jet also headed toward Washington had crashed into a field in Pennsylvania as passengers attempted to overpower the hijackers on board.

Birthday - Pope Leo XIII (1810-1903) was born in Carpino, Italy (as Gioacchino Pecci). He was elected Pope in 1878 at age 67 and lived to govern the church another 25 years, laying the foundation for modernization of Church attitudes toward a rapidly industrializing and changing world.

Geo Challenge Trivia

Suppose that two hikers plan to travel from Albuquerque, New Mexico to the Canadian border. They will make the journey totally on foot and they will set foot in only three states including New Mexico. What route can they use to accomplish their goal?

MOWW MEMBERSHIP

A UNIQUE VETERANS ORGANIZATION

The Military Order of the World Wars®

Promoting and Encouraging Good Citizenship, Patriotic Education, Military and Public Service, National Security, and Youth Programs

Why MOWW?

Is National Security a concern of yours? Is it important to you, for everyone living in America to understand how this Country was founded and the great history it has to tell? Do you believe that our young people need a chance to learn and experience leadership and civics? Do you feel that it is important that every citizen get a chance to not only meet, but ask questions of community, military, and business leaders? Are you concerned that the youth of America do not know how to honor our Flag or understand and respect our democratic principles? Do you agree that "Freedom is not free"?

If you answered YES to any of these questions, you are in good company, because the members of the Military Order of the World Wars (MOWW) say YES to all of them. Some of you might even say, "I want to become involved, how do I join, how do I help?"

Well, there are several ways you can help—the main way is to join the Order, if eligible. Consider supporting the Order by contributing financially to its efforts if your are not eligible to join.

If you have questions regarding MOWW membership, or how to financially contribute to the Order, contact MOWW National Headquarters, or a Chapter in your local area. See MOWW web site for membership application form or to review Chapter locations at www.militaryorder.net
